"Kidnapped" Her Son.

A mother's love for her child yesterday caused Melvina White, colored, to become a fusitive from justice on the charge of kidnapping her son, Jerry, aged ten years, from the home of a farmer in Chesterdelid county, in which he was placed by order of the Bon Air court about a year ago.

Jerry, who is a keen youngster, was quantity, who is a keen youngster, was quantity which he was evident than a quantity the court it was evident that is appearance in court it was evident that his necessary with the sent to the Reformatory on a count of his tender age, and fearing to allow him to return home the magistrate had him piezed with a reliable farmer to be raised. The boy speedily became satisfied with his new home and surroundings, and his manners caused many people to want him. One man worked unusually hard to get him transfered to his care.

The mother, however, yearned for her son, and made several efforts to steal him, but was a laways frustrated. Yesterday when Jerry was sent to milk the cows she inveliged him out into the road, snatched him up, and has not been seen since.

The mother, however, waterned for her son, and has not been seen since.

Car Company Wins.

Judge Ernest Walls in Hustings Court, Part 2, handed down his decision in the \$15,000 damags suit of Annie Gooleby against the Virginia Railway and Power Conzpany. The jury found that the accident was an unavoidable one; that there was no negligand against unusual conditions. The court decided for the defendant.

Political Rumor.

James Bellwood, it is rumored, intends to oppose Mr. Hatcher, the incumbent, at the coming election of supervisors of Chester-field county.

Hands Entirely Well.

"I can truthfully say Cuticura Remedies have cured me of four long years of eczema. About four years ago I noticed some little pimples coming on my little finger, and not giving it any attention, it soon became worse and spread all over my hands. If I would have them in water for a long time, they would burn like fire and large cracks would come. I could lay a pin in them. After using all the salves I could think of, I went to three different doctors, but all did me no good. The only relief I got was scratching.

"So after hearing so much about the wonderful Cuticura Remedies, I purchased one complete set, and after using them three days my hands were much better. To-day my hands were much better. To-day my hands are entirely well, one set being all I used." (Signed) Miss Etta Narber, R. F. D. 2, Spring Lake, Mich., Sept. 26, 1910.

No stronger evidence than this could be given of the success and economy of the Cuticura Remedies in the treatment of torturing, disfiguring humors of the skin. A single hot bath with Cuticura Soap and a gentle anointing with Cuticura Ointment are often sufficient to afford immediato relief in the most distressing cases and permit rest and sleep when all else fails. Cuticura Soap and Ointment are equally effective in preserving, purifying and beautifying the skin, scalp, hair and hands.

Although Cuticura Soap (25c.) and Cuticura Ointment (50c.) are soid throughout the world, a liberal sample of each, with 32-p. book on the skin and scalp, will be mailed free on application to Potter Drug & Chem. Corp., Dept. 18, Boston, Mass.

(Special to The Times-Dispatch.)
Williamsburg, Va., September 28.—
Rev. R. L. Walton, who for the past two years has been paster of the Presbyterian churches in Williamsburg and at Magruder, York county, yesterday tendered his resignation to the Norfolk Presbytery, now in session at Cape Charles. The presbytery accepted the resignation, which will be ratified by congregational meetings to be held on October 15, presided over by Dr. R. C. Glimore, of Portsmouth. Mr. Walton is an earnest worker and is considered a fine speaker. He has made many friends in this city, who regret his departure.

A telephone meesage received here this morning from Dr. Blair Spencer conveyed the information that a highly successful surgical operation had been performed on Mrs. Hartwoll Manya of this city, and that her chances for ultimate recovery were good. Mrs. Macon is one of the best known citizens of Williamsburg. She was taken to Norfolk Monday in a critical condition, and all the members of her immediate family had been summoned to her bedside.

The victory of the Fusionists in the action of the State Committee lies in the fact that the men deprived of their certificates of nomination, being admitted by both committee reports to be merely straw candidates, who are not actually making an effort to defast their Republican opponents, do not object to their expulsion. Representatives of the Straightouts said after the meeting of Tuesday night that a new primary would be useless, but it is understood now they will make the most of the situation, try once more to nominate members of their faction for the clerkship and treasurership, and put up to the Fusionists the election of the party nominees.
